Easy-to-use coverage for taking care of your eyes

Aetna VisionSM Preferred

Look — and see — your best

Aetna Vision Preferred helps you take better care of your vision. And get the look you want, too. It comes with coverage for:

- Routine eye exams
- One pair of eyeglasses (lenses and frame)
- Choice of any available frame — including designer brands like Oakley®, Ray-Ban® and Vogue®
- Prescription sunglasses
- Contact lenses

Once you enroll, sign up for your member website at www.aetna.com.

Lots of convenient locations

After enrolling, you get a welcome package in the mail. It includes your member ID card, insurance plan information and a list of local vision providers. But you can go practically anywhere for eye care.

Choose from 70,000+ vision providers¹ who participate in our network. This includes neighborhood eye doctors, as well as your favorite chains, such as:

- LensCrafters®
- Pearl Vision®
- Sears Optical®
- Target Optical®
- JCPenney Optical

It's easy to find network providers. Just use our online directory at www.aetnavision.com. You also can visit any licensed eye care provider outside the network. But if you do, you generally pay more out of pocket. And you may have to file your own claims.

Extra savings

With network eye care providers, you can also get discounts on products and services that **aren't covered under your plan**, including:

- LASIK eye surgery
- Extra pairs of eyeglasses and sunglasses
- Lens options like anti-reflective, polycarbonate, and scratch and UV protection
- Accessories such as eyeglass chains and cases
- Digital eye imaging — a diagnostic tool to spot eye diseases

Use the discounts as often as you'd like.

Better vision, better health

Your vision insurance plan isn't just good for your eyes. It's good for your overall health, too. That's because routine eye exams can spot problems like glaucoma. Exams also can detect health conditions like diabetes — even before symptoms appear.²

A fit for your busy lifestyle

Your vision benefits are simple to use.

Flexibility: You can buy eyewear at a different place than where you had your eye exam. That makes it so easy to find the perfect frame.

Great hours: Many vision locations are open seven days a week, as well as evenings. And many accept walk-ins.

Convenience: You'll find most locations are inside or near major shopping centers.

Speedy service: At many locations, you can get your eyewear the same day.

Plus, there's extra help when you need it. Our customer service reps are available seven days a week to answer your questions. Call the toll-free number on your ID card.
