ON THE GO**

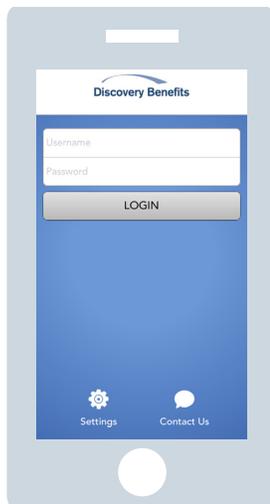

Downloading the Mobile Application

The Discovery Benefits mobile application can be downloaded for free on Android and Apple devices. Search for “Discovery Benefits” to locate the app in your phone’s online store.

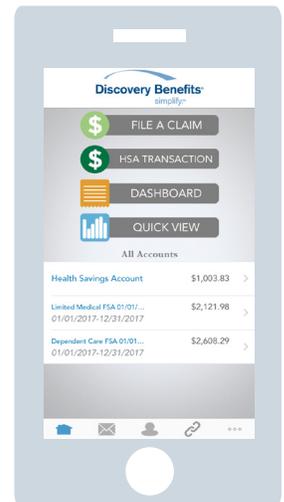

Logging In

When the app is opened for the first time, you will need to enter the username and password for your Discovery Benefits portal. After you have successfully logged in to the mobile app for the first time, you will be prompted to set up a four-digit PIN. From that point forward, you’ll be able to access the mobile app simply by entering this PIN.

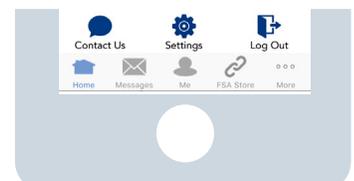

The Home Screen

From the app’s home screen, you will see options to file a claim, review and pay expenses or get a quick view of your account information. You’ll also see an “All Accounts” section that lists the plans you are currently enrolled in, along with plan dates and balance information. To access more details about individual plans, simply tap the name of the plan that you wish to learn more about. If you click on a plan from the home screen, you will be brought to the “Account Details” page, where you can access current plan balance, plan dates and claim history.

The Menu

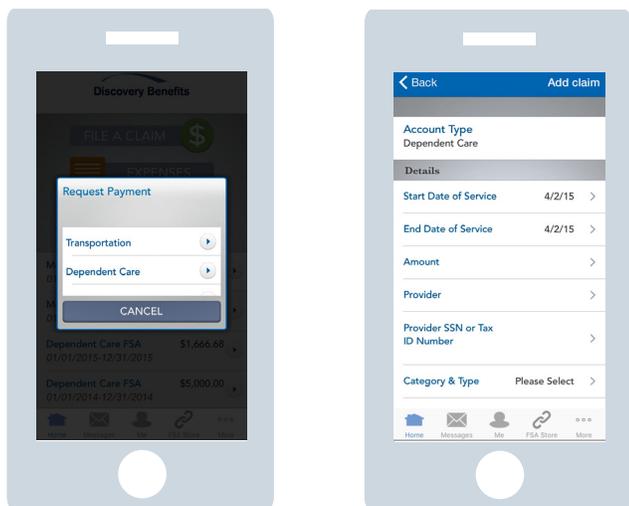

The menu bar is located at the top of the screen on Android devices and the bottom of the screen on iOS systems, and it is visible from any page of the mobile app. From the menu, you can access your home screen, the message center, your personal profile, a quick link to the FSA Store, Discovery Benefits’ contact information, app settings and logout capabilities.

Claim Filing

To file a new claim for reimbursement, simply tap the “File a Claim” option from the home screen. If you have multiple accounts, you will be asked to select the account from which you’ll be requesting payment.

After selecting the appropriate account for your claim, you will be directed to a screen where you can enter your claim details. Scroll down on this screen to upload the itemized receipt associated with your claim.

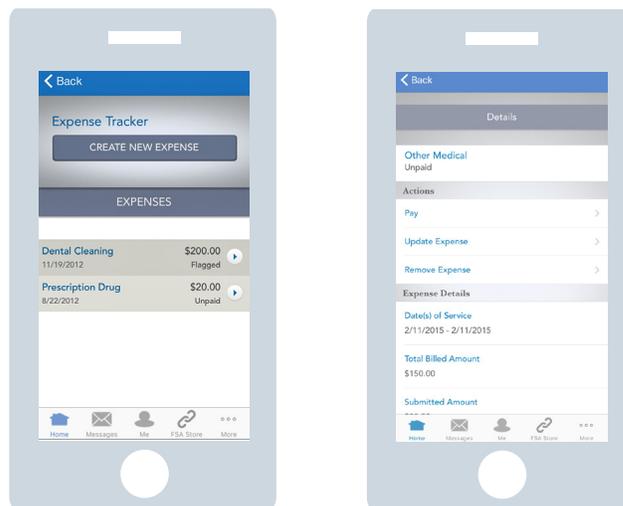

When you select the “Upload Receipt” option, the camera on your device will automatically activate to allow you to take a picture of your documentation, or you may upload a picture from your camera roll.

Once you have successfully captured or uploaded a photo of the documentation, your claim will be submitted for processing.

Dashboard

To access your expenses, tap the “Dashboard” option from the home screen. You will then be directed to the Dashboard screen, where you can track relevant expenses and save the associated documentation. The Dashboard allows you to add expenses for record keeping purposes. You can also pay out expenses from this screen.

Quick View

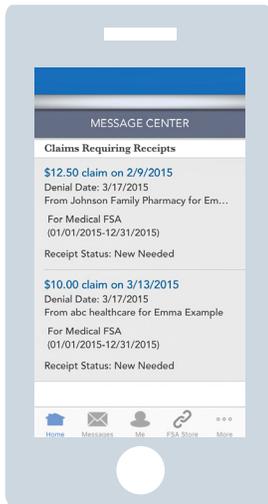

To access a quick view of your account details, tap the “Quick View” option from the home screen. The Quick View screen will provide you with basic information about your claims, elections and contributions. To see additional charts, you will need to swipe right from the “Paid Claims By Category” screen.

Message Center

To access your Message Center, tap the envelope icon on the app's menu bar. If you see a red notification next to the envelope icon, this means you have one or more messages waiting for you in the Message Center. Your Message Center is where you can go to view claim information and any previously submitted documentation for outstanding claims currently requiring documentation. You can also upload required documentation for your outstanding claims from the Message Center page of the app.

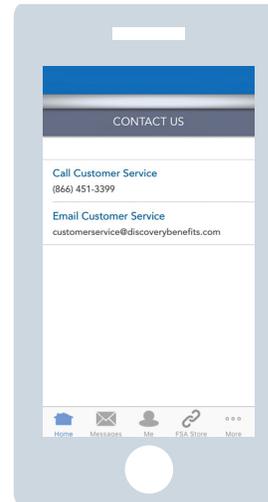

Personal Profile

To access your personal profile from an Android device, expand the menu bar at the top of the screen and select "Me." To access your profile from an iOS device, simply click on the icon labeled "Me" on the menu bar at the bottom of your screen. From your personal profile page, you can view the name of the account holder, the date of your last login to the mobile app and any legal documentation available to you.

Contact Information

You'll find the "Contact Us" option in two places in the mobile app — both on the initial passcode screen and on the menu bar at the top (Android) or bottom (iOS) of your screen. Clicking on either of these will direct you to a screen containing the phone number and email address for Discovery Benefits' Participant Services team.

Settings

You can access your app's settings by clicking on the gear icon labeled "Settings" on the menu bar. This page is where you can go to change your passcode or see which version of the app you're using.
